Shipper agrees to the UPS Terms found at www.ups.com and UPS service centers. For international shipments, the Warsaw Convention as amended or Montreal Convention may apply. UPS will not be liable for loss or damage to goods in transit if the goods are not properly packaged, labeled, or marked. UPS will not be liable for loss or damage to goods if the goods are not properly secured to the carrier's equipment. Except as otherwise governed by international conventions or other mandatory law, the UPS Terms limit UPS's liability for damage, loss or delay of this shipment. There are no stopping places agreed upon at the time of tender of the shipment and UPS reserves the right to route the shipment in any way it deems appropriate. Where allowed by law, shipper authorizes UPS to act as forwarding agent for export control and customs purposes. If exported from the US, shipper certifies that the commodities, technology or software were exported from the US in accordance with the Export Administration Regulations. Diversion contrary to law is prohibited.
